PROFILE

Product / UX/UI Designer with experience across healthcare, education-technology, and collegiate environments. Skilled in user research, wireframing, prototyping, and design systems, with a track record of translating complex requirements into accessible, user-centered interfaces. Strong collaborator with clients, stakeholders, and cross-functional teams.

SKILLS

Research: User research & strategy, user interviews, information architecture, usability testing, heuristic evaluations, comparative analysis

Design: Sketching, wireframing, prototyping, interaction design, UI design, mobile design, web design, accessible design, site maps, user journeys, user flows, personas, design systems, style guides

Software: Figma, FigJam, Zoom, Slack, Jira, Miro, UserTesting, Otter, Calendly, ProtoPie, Claude, Claude Code, Variant AI

EXPERIENCE

UX/UI Designer — Insight by Nemera

January 2023 – Present · Hybrid, Chicago, IL

- Designed user-centered healthcare applications for web and touchscreen devices, enhancing usability and workflow efficiency for medical professionals and patients.
- Developed and maintained Figma component libraries, optimizing design systems and ensuring brand consistency across client projects in the healthcare sector.
- Collaborated with Human Factors teams, clients, and stakeholders to align clinical requirements with user-friendly interfaces, delivering accessible solutions.
- Conducted research studies and developed collateral for international conference presentations, advancing UX/UI best practices within healthcare consultancy projects.

UX/UI Designer — Moment Studio

March 2022 – January 2023 · Remote

- Translated complex requirements into user-centered design solutions.
- Conducted UX testing and research to validate designs and understand user needs and pain points.
- Developed design artifacts such as user personas, journey maps, and information architecture to communicate design rationale.
- Produced wireframes, mockups, and prototypes to guide interface design.
- Collaborated with and presented work to peers, mentors, and stakeholders to iterate on designs.

Lead Language Instructor — Noble Charter School

August 2021 – March 2022 · Chicago, IL

- Consulted with a team of administrators to identify and implement successful instructional strategies.
- Coordinated with administrators and colleagues to pinpoint inequities within the language classroom.
- Explored flexible, innovative use of technology in language education during the pandemic.

EDUCATION

UX/UI Foundations Certification — Avocademy

Master's Degree in Applied Linguistics — Universitat de Barcelona

Bachelor's Degree in Education — Concordia University Chicago

ACHIEVEMENTS

- STAR Award, Insight by Nemera — 2025
